Sault College is excited to announce our new campus located in Brampton, Ontario. International students now have two amazing options to study with Sault College in Canada. Sault College has partnered with triOS College, a DLI-approved public institution, to help deliver our amazing programs in this new location. Students will enjoy a dynamic academic experience, efficient class schedules and affordable tuition. Students who are registered at Sault College in Brampton will be students of the public college system and shall receive full credit from Sault College for all Sault College courses completed at the Brampton location.

Students who meet program graduation requirements will graduate with a credential from a public institution (Sault College) in the province of Ontario and operating under the Ministry of Colleges and Universities.
